

We, at the **Fort St. James Community Foundation** wish to extend a warm welcome back to each one of you for another exciting school year. We especially want to thank those of you who have contributed through your payroll to the Foundation this year. The total contributions from SD91 Payroll Deductions for our fiscal year (01 September 2021 to 31 August 2022) totalled \$660 to date and we would like to thank you for including us in your charitable giving plans. Even though fund raising is down due to Covid-19 we are pleased to report that our Endowment Fund now sits at close to \$853,000 including one Family fund set up by the Helweg Family for \$10,000.

Through our grants we support various community organizations to provide programs, services and infrastructure that will make life better for Fort St. James and area residents. The donations that the Foundation receives are invested and only the returns on these investments are granted out to community groups. The original donated amount is left in the Foundation to continue to grow for future generations.

We were very excited to be able to up the value of our grants to the community this year to \$30,000!

I have attached a copy of all grants that we have awarded from our very first granting period of 2014. Total funds granted to date are \$93,980.01.

For us to continue granting to worthwhile organizations and activities we need to continue to build our foundation through donations. We hope that all School District Employees will consider donating through your payroll deduction program to an organization that is based in Fort St. James and area, supporting Fort St. James based organizations that offer programs and services for Fort St. James and area residents. We are also welcoming new directors at this time.

For more information, check out our Facebook page and our website at www.fsjcf.org or contact us directly at info@fsjcf.org or phone Joyce at 778 668 0003. Help us build our community,

Today, Tomorrow and Forever!
